

20 July 2016

Dear Parents

Unless there is a significant reason, this is my final email about traffic on Boundary Street to the entire PLC Sydney community.

Henceforth I will communicate with those who are affected: Junior School families. I trust the rest of the community is now aware of the issue.

We have made some progress. Burwood's Mayor, Mr Faker, and our local member, Ms Jodi McKay, have agreed to come to our roundabout from 2.30 until 3.30 pm within the next week. I look forward to their visit.

I am asking staff to document in photographs the traffic congestion each day in order to show them the extent of the difficulty that their current approach is causing.

I would like to gather your individual stories to give to the Mayor and our local member. If you have had a difficult time since Burwood Council's action please send an email to Mrs Mathews (smathews@plc.nsw.edu.au). Please keep it short and focus on:

- A 'Before and After' comparison
- Specific examples of problems: e.g., the number of times you have had to go around the block

I thank the parent body for their overwhelming messages of support and encouragement. I thank you also for suggestions. I will reply to individual emails over the next few days.

Regards

Dr Paul Burgis
Principal
