Sanda

I refer to your letter dated 24 November 2020 regarding notification pursuant to Clause 11 of the Education SEPP of proposed minor works being alts & adds to the facilities/change rooms to the school gym at PLC Croydon.

Following discussions with Council's Heritage Adviser I would advise that no objection is raised to the proposed minor works. As suggested in your letter could you please provide a copy of the REF for the proposal to Council once completed.

Please call me if you require any further information or clarification.

Thanks
