

# AN ARCHIVAL MOMENT:

## The Swimming Carnival 60 Years Ago

It was altogether a smaller affair: in 1961 the enrolment was 622, including 59 at Branxton in Strathfield, and the "Annual Swimming Sports Day" was held on campus at the old pool, which was in the same spot as today's J.D. Oates Aquatic Institute. Notice that there were ladies in hats and that afternoon tea was served in the Dining Room!
